1. The first part of the report is a general description of the project and its objectives. This section includes a brief history of the project and a statement of the problem to be solved. It also includes a description of the methods used to collect and analyze the data.

2. The second part of the report is a detailed description of the results of the project. This section includes a description of the data collected and a discussion of the results. It also includes a description of the methods used to analyze the data and a discussion of the results of the analysis.

3. The third part of the report is a discussion of the conclusions of the project. This section includes a summary of the results and a discussion of the implications of the results. It also includes a discussion of the limitations of the study and a discussion of the future work that needs to be done.
